

Today is a bittersweet moment for The Arc of Dauphin and Lebanon Counties. We celebrate the achievements and life work of Barb Seiders, while at the same time wishing her Farewell as she retires and starts a new chapter in her life. We at The Arc of Dauphin and Lebanon Counties have been blessed for more than 20 years to have Barb Seiders as a pillar in the Arc's Supportive Employment Program. In her tenure at the Arc she has been instrumental in supporting more than 400 individuals to access and maintain competitive employment within the community. It is her smile, the heartfelt care she provides, and the human connection inherent in her personality that will be sorely missed. Barb's last day at the Arc will be December 31, 2009. However, we will be hosting a farewell gathering in January to acknowledge Barb and provide the opportunity for all to wish her well. All are invited, and details will follow. Beginning January 1, 2010 all Supportive Employment inquiries, questions or requests for information should be directed to Ken Seeger at 717-920-2727 or email: kseeger@arcofdc.org.
