New Dauphin County Mental Retardation Deputy Administrator Appointed

The Arc of Dauphin and Lebanon counties extends its congratulations to Shirley Keith Knox for her promotion to Deputy Administrator on April 9, 2007. As Dauphin County's former Early Intervention Coordinator, Knox is well prepared for the demands of her new role.

Knox is also well versed in Mental retardation services, having been an advocate, trainer, and service provider in the mental retardation system. In addition to her expertise, Knox's upbeat personality and high energy approach to her work will be a great asset to Dauphin County.

The Arc of Dauphin and Lebanon Counties looks forward to a continued relationship with Knox in her new role!
