

### **Kim Neumyer Wins Award**

The Arc offers special congratulations to Kim Neumyer, Administrative Assistant and Computer Training Specialist at The Arc's Harsco Center. Neumyer was honored on May 22, 2008 as the recipient of the 2008 Dauphin County Staff Recognition Ceremony.

The annual ceremony honors direct care staff who show outstanding commitment and dedication to their work. Neumyer received the award for the work she's done to develop and implement The Arc's computer training program, and her recent work on a cash register and customer service training program. Her computer training program has experienced considerable growth in the past few years, demonstrating that she provides a much needed service to the community.
