Options Student Wins Award for The Arc

In a ceremony at the Harrisburg City Government Center, Mayor Stephen Reed presented a first place prize to The Arc of Dauphin and Lebanon Counties for its submission in the 2007 Wreath Decorating Contest. Options student Krystiana Spriggs, who decorated the wreath on behalf of The Arc, accepted the award.

The wreath, also decorated with Christmas bows and ribbons, prominently displays the words "Live" "Hope" and "Dream" as well as The Arc's logo. Krystiana's representation of The Arc through the wreath demonstrates some of the values that The Arc strives to make reality for all the consumers it serves.

The Arc hopes to continue encouraging Krystiana to reach her hopes and dreams during her daily classes at The Arc's Harsco Center, and through more special projects like the wreath contest.
